

CenterCard + Center Expense for Non-Profit Organizations

Real-Time Expensing

It's easier and more important than ever to monitor your organization's expenses, control spend, and report on impact

Connected Corporate Credit Card and User-Friendly Mobile App + Expense Management Software with Real-Time Spend Insights

"For non-profits, tracking spend by program is essential, and Center really helps with this... I'm able to see all my spend and sort by specific program or grant. Center has saved us time and allows us to focus on our mission."

Amy F, CEO of Seattle-Based Non-Profit

SPEND

Make organization purchases with CenterCard® and use Center's mobile app to capture expense details and receipts on the go.

Easily turn cards on and off, and adjust spending limits with Center's self-service admin features.

REVIEW

See organization spend as it happens, all in one place, including unsubmitted expenses. No more month-end accruals.

Improve reporting accuracy and policy compliance by automatically auditing 100% of expenses

ANALYZE

View expenses immediately across the organization with live analytics. See top-level trends or drill down to analyze all the details.

Real-time insights helps track spend against grants, analyze operational costs, and report results.

About Center

Our goal is to help organizations thrive by making the most out of every dollar—and hour—spent. Center's integrated corporate card and expense software is a complete system for managing expenses. Sign up for a demo at getcenter.com/demo.
