

CenterCard + Center Expense

# Real-Time Expensing

It's easier and more important than ever to monitor your organization's expenses, control spend, and report on impact

Connected Corporate Credit Card and User-Friendly Mobile App + Expense Management Software with Real-Time Spend Insights

"We knew we needed a solution to better manage tracking our team's expenses, but we had no idea how much time we would save and how easy it would be to transition to a new system."

Amy F, CEO of Seattle-Based Non-Profit

## SPEND

Make business purchases with CenterCard® and use Center's mobile app to capture expense details and receipts on the go.

Easily turn cards on and off, and adjust spending limits with Center's self-service admin features.

## REVIEW

See employee spend as it happens, all in one place, including unsubmitted expenses. No more month-end accruals.

Improve reporting accuracy and policy compliance by automatically auditing 100% of expenses

## ANALYZE

View expenses immediately across the organization with live analytics. See top-level trends or drill down to analyze all the details.

Real-time insights helps track spend against projects, analyze operational costs, and report results.

### About Center

Our goal is to help organizations thrive by making the most out of every dollar—and hour—spent. Center's integrated corporate card and expense software is a complete system for managing expenses. Sign up for a demo at [getcenter.com/demo](https://getcenter.com/demo).
