Connected Corporate Credit Card Expense Management Software and User-Friendly Mobile App

### SIMPLICITY

Arm your team with CenterCard<sup>®</sup> and the Center mobile app to capture receipts and key expense details like client and project number.

Easily create purchasing cards for office expenses and recurring transactions like subscriptions and dues. with Real-Time Spend Insights

## VISIBILITY

Know where every project stands with real-time reporting-no more cost overruns that can affect the bottom line.

Track all billable travel and project expenses quickly and accurately. Print PDF receipt documentation for easy client invoicing

"Center is a very user-friendly, streamlined app. Users like it better and are more willing to update expenses quickly."

Rodnev V. Mid-Market (Verified G2 Review)

## **CLARITY**

Configure Center the way you want, with custom fields to match your expense policies and processes, and say goodbye to manual transaction coding.

Create dynamic approval workflows to route expenses to project leads or regional managers based on any field.

#### **About Center**

Our goal is to help organizations thrive by making the most out of every dollar —and hour—spent. Center's integrated corporate card and expense software is a complete system for managing expenses. Sign up for a demo at getcenter.com/demo. © Center 2021 CENTER\_DATA\_ENG\_3\_2021

## More Time for Your Clients

Simplify expense reporting, see spend as it happens, and know where every project stands.

#### **On-the-Go Expensing**

Empower your team to make and submit expenses wherever work takes them and eliminate the need for reimbursements.
